Court Order Places Heavy Handia cap on Latter in His Fight.

MAY NOT VOTE MANY SHARES

He and Followers Must Vote Majority of 286,731 Shares to Control.

CHICAGO, ILL., October 15 .- E. H. court, deprived of the voting power of

Harriman because his modification was secured. The shares of stock ruled out are those held by the Union Pacific Raliroad Company, of New Jersey, and the Mutual Life Insurance Company, of New York, against which a temporary injunction was yesterday issued by Judge Ball in the Superior Court. Mr. Fish yesterday asked that the voting of these shares be enjoined. The court to-day, after extensive argument by the attorneys for both sides, modified the injunction by permitting the shares to be voted under the condition that if any one of these shares should have a decisive effect on any vote taken the entire vote is then to be null and void.
